Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Wednesday 22 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy with patchy rain, drier by evening.

Today:
Bright start then becoming cloudy. Rain extending to most areas during the morning, gradually fizzling out during the afternoon. Drier, clearer weather following in the evening. Winds easing down. Maximum temperature 18 deg C (64 deg F).

Tonight:
A dry and clear start to the evening. Winds will strengthen overnight and it will become cloudier at times, with a few showers especially in the west. Minimum temperature 9 deg C (48 deg F).

Thursday:
A short spell of heavy rain is likely early morning but becoming drier and fresher behind this with winds easing. Perhaps further light rain pushing into the west later. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
A lot of dry and bright conditions but quite windy at times, perhaps some light rain at times for western Aberdeenshire. Feeling quite warm around the northeast.
